

## **An Tairseach Dominican Ecology Centre Accommodation Rates 2017**

**Self-catering single en-suite room with private kitchen. Fully self-contained.**

€45 per night for one night only

€35 per night for two nights or more.

**En-suite single or twin room. Kitchen facilities shared with 2 other rooms.**

**Twin Room:** €70 per night for one night only

€60 per night for two nights or more

**Single Room:** €45 per night for one night only

€35 per night for two nights or more

*N.B. There are 2 twin en-suite rooms, 1 single en-suite room and a separate kitchen on this corridor creating a sense of a 3 bed apartment. This is perfect for a small group who would like to share meals together.*

**Aisling Cottage: Two bed cottage with living room and kitchen / diner. Outside decking area overlooking the rose garden.**

The cottage is situated at the end of the garden, not in the main Ecology Centre. It has two bedrooms, one double with a full bathroom immediately next door and one twin en-suite. The cottage has a kitchen / diner with a decking area overlooking a beautiful rose garden and a separate living room.

€450 per week – bookings from Friday to Friday (currently fully booked until mid-November 2017).

### **Apartment**

The apartment is a fully self-contained accommodation inside the Ecology Centre comprising a double bedroom, living room, kitchen area and bathroom.

**The above rates include all utilities. Facilities in the Ecology Centre and Garden are available for guests if not being used by visiting groups.**
